Somewhere

Song by Barbra Streisand

Lyrics

Someday, somewhere

We'll find a new way of living

We'll find a way of forgiving

Somewhere

There's a place for us

Somewhere a place for us

Peace and quiet and open air

Wait for us somewhere

There's a time for us

Someday there'll time for us

Time together with time to spare

Time to learn and time to care

Someday, somewhere

We'll find a new way of living

We'll find there's a way of forgiving

Somewhere, somewhere, somewhere  
There's a place for us, a time and a place for us  
Hold my hand and we're half way there  
Hold my hand and I'll take you there  
Somehow, someday, somewhere  
That were nice  
Well you're all my friends  
I love you for being here, thank you  
Thank you  
I wanna welcome you to my home  
I don't mind telling you that, erm  
I've spent more than a few sleepless nights  
Wondering what I could possibly do  
That would be worth 5000 dollars  
And erm, then I figured out that erm  
I would be singing 3, 924 notes  
And that comes over a little up to a dollar a note  
And you know some notes were longer  
And so they're worth about three dollars  
Some are shorter 50 cents but you know, it averages out  
I'm really glad you are here tonight  
This place is very special to me  
Here I'm constantly reminded of the  
Awesome balance of nature  
And how precious it all is  
And maybe that's why I felt like  
*This was the perfect place to gather*  
Surrounded by beauty, life, and lots of good friends, you know

Dear San Bernardino Department of Health,  
Are you going to respond to the Post and Will This Community Apologize for what has happened to me in all of this for the past 5 years?

I still can not get a trustable reliable interface to an HIV CARE DOCTOR --- Posting across social media as #HIVUNTREATABLE

My need to find a new country and DENOUNCE my UNITED STATES CITIZENRY and find and file to transfer my nationality to some other place that does not allow the haters to win.

But I did not make it to New York. An incident with the conductor of the train, attempting to get a communication bridge into the United Nations and giving my story honesty. This created the reactive over-reach to call TEXAS AUTHORITIES and to STOP THE TRAIN. For what did I do to deserve to be PULLED OFF THE TRAIN and subsequently I had a 58 day stay at the **Williamson County TX, Sheriff's Office** Georgetown Jail.

This Archived Record of the Messenger Connection I have put into the record --- for what I encountered of JAILHOUSE ABUSE and intentional changes altered from their STANDARDS of OPERATIONS violating their codes.. The Jailhouse inspection to what I discovered there should show **#HugeFail** ---
