Somewhere

Song by Barbra Streisand

Lyrics

Someday, somewhere

We'll find a new way of living

We'll find a way of forgiving

Somewhere

There's a place for us

Somewhere a place for us

Peace and quiet and open air

Wait for us somewhere

There's a time for us

Someday there'll time for us

Time together with time to spare

Time to learn and time to care

Someday, somewhere

We'll find a new way of living

We'll find there's a way of forgiving

Somewhere, somewhere, somewhere

There's a place for us, a time and a place for us

Hold my hand and we're half way there

Hold my hand and I'll take you there

Somehow, someday, somewhere

That were nice

Well you're all my friends

I love you for being here, thank you

Thank you

I wanna welcome you to my home

I don't mind telling you that, erm

I've spent more than a few sleepless nights

Wondering what I could possibly do

That would be worth 5000 dollars

And erm, then I figured out that erm

I would be singing 3, 924 notes

And that comes over a little up to a dollar a note

And you know some notes were longer

And so they're worth about three dollars

Some are shorter 50 cents but you know, it averages out

I'm really glad you are here tonight

This place is very special to me

Here I'm constantly reminded of the

Awesome balance of nature

And how precious it all is

And maybe that's why I felt like

This was the perfect place to gather

Surrounded by beauty, life, and lots of good friends, you know

I have loved listening to Barbara since I was a kid, actually I was 16. Whenever I babysat for my nephews I would always put her album on and listen to it over and over again, and of course my favorite movie is " Funny Girl" 4

I've always loved Barbra's voice. She never disappoints. And if you really listen to the words of this song, they go much deeper than a special place for a couple. It's really all mankind, I believe.

A voice like no other. It's unimaginable and unexplainable, but know she is doing God's work. HE gave her the gift of a truly touching and nurturing voice. She shares her gift with the world... what God intended ..

I am 83 and one of the greatest highlights of my life is seeing Barbra in live concert in Chicago, with IIDivo as her guests. They joined her in singing "Somewhere" and it is the most beautiful performance I have ever heard. Barbra singing it alone is just as incredible. I have adored Barbra's music since the first note she ever sang. During her concert, my entire adult life passed before my eyes. Each song she sang brought back a special memory in my life. Always has and always will.

I love Barbra beautiful, dynamite SINGING VOICE. This is one of my favorite songs from "Westside Story". My daughter High School Choir surprised me and sang this song. Ms. Streisand voice can sing any song beautifully. I love her style and I pray her voice will last a LIFETIME.
